

Blast'n Fast

Start Position: Shotgun loaded at low ready in Box A. Rifle loaded at the table on top of the shoot-thru barrel.

Stage Procedure: At the signal, engage steel targets 1-8 from Box A only. Advance to shoot-thru barrel and engage steel targets 9-11, thru the barrel only. Ground shotgun in barrel or top of table and then pick up rifle and engage remaining cardboard targets with 2 rds. each as they become visible.

Notes: Refer to rules on proper grounding of firearms.

Stage Design: Ronnie Casper
