

Move it (modified)

Original stage design by David Re, A-25626

Targets: Rifle – 10 cardboard
Shotgun – 10 clays

Round count: Rifle -20 (if cardboard is engaged with 2 rds. each)
Shotgun -10

Start Position: Standing in box, facing downrange, heels touching Xs on the board. Rifle loaded at low ready, shotgun loaded at table.

Stage Procedure: At the signal, engage all cardboard targets as they appear with rifle, ground rifle on blanket, muzzle downrange in the direction of the port. Engage the clay targets with the shotgun thru port.

Notes: Refer to rules on proper grounding of firearms. Clays must break to score.
