

Where to Start

Round Count:

Shotgun: 8 rounds (birdshot)

Pistol: 8 rounds

Start Position: Shotgun & pistol both loaded and stage at table, hands in surrender position, standing in Box A behind table.

Stage Procedure: At the signal, engage all steel targets. The left plate rack and 2 plates must be engaged with pistol, the right plate rack and 2 plates must be engaged with shotgun. Shooter may start with either firearm. Refer to rules for proper grounding of firearms. All spare ammo must be carried on person
